AGENDA

AGENDA *with passion*

AGENDA with Passion is a Danish family brand founded in spring 2023 by Laila Bucka, who brings over 35 years of experience in the fashion industry. Her passion lies in creating clothing for all women – with a deep focus on details, comfort and individuality. Inspired by bohemian living, each piece features hand-drawn prints and carefully chosen materials, designed to feel relaxed, flowy, and empowering. From unique embroideries to signature print techniques, every design is made to adapt – dress it up, or down – and feel great in any setting. AGENDA is about freedom, confidence, and timeless expression.

BLOCK PRINT

Rooted in the 500-year-old hand block printing method, this shirt finds harmony between heritage & modernity.

A full-page photograph of a woman with blonde hair standing next to a silver bicycle on a wet, paved road. She is wearing a white long-sleeved shirt with a ruffled collar and tan trousers. The background shows a lush green landscape with trees and a small white building in the distance. The road is wet, reflecting the light.
